

We are LAMDA Development S.A., a holding Company, member of the Latsis Group, specializing in the Development, Investment and Management of Real Estate, listed on the main market of the Athens Exchange.

We are proud to be a leader in the Retail Real Estate sector in Greece, with successful projects in the office and residential sectors!

Our portfolio includes The Mall Athens & Golden Hall in Athens, Mediterranean Cosmos in Thessaloniki, office buildings, innovative residential complexes and, the Flisvos Marina in Faliro.

In 2014, LAMDA signed the contract with the Greek state for the acquisition of the shares of the "Hellinikon SA". The project includes all the land area of the old Athens airport and the coast front, totaling 6,2 mil sq. m. and will be the largest urban regeneration investment ever in Greece.

This investment will include a diverse range of residential communities, hotels, shopping centers, family entertainment venues, museums and cultural venues, health and wellness centers, significant space for sports and recreation, a modern business park with an educational and R&D hub as well as the total regeneration of the existing marina and the entire Coastal Front that will, along with the Park, will be the major attractions of the site.

In Greece, we are currently a team of about 200 colleagues, located in Athens and in Thessaloniki.

We constantly try to create an environment that promotes employees' professional growth, based on the principles of attracting, developing and retaining human capital, offering equal opportunities to everyone.

To meet current corporate needs, we would like to bring to our team a

## **Project Management Director**

### **The Hellinikon Project**

***Reference code: PMDH***

The Project Management Director will be reporting to the Chief PM & Construction Officer.

Our new colleague will be a highly technically oriented individual, responsible for ensuring that an open, clear and consistent communication channel exists and is maintained, between the key Directors of the Construction Project Management, Planning and Commercial division of the Hellinikon Project- as well as vertically within the Construction PM team.

**In detail, the Project Management Director, will be responsible for the following aspects of the Hellinikon Project:**

- Manages construction related project control systems- i.e. managing and analyzing the project plan, schedule and potential cost consequences
- Putting together technical and administrative reports for incorporation into overall project status reports, to be submitted to the Executive Management of the Hellinikon team
- Assisting in preparation & review of contracts, tender and commercial documents
- Helping other team members in the performance of cost estimating, evaluations, scheduling, procurement and other relevant tasks
- Assisting the Chief PM & Construction Officer in the team evaluation process for performance reviews and other relevant Hr oriented issues

**You will be a successful candidate for our opening, if you can identify yourself with the following criteria:**

**Academic Qualifications:**

- A B.S. Degree in Engineering or Construction Management, a post graduate degree (MSc or MBA degree) will be considered a significant advantage
- Appropriate certifications and industry affiliations relevant to education and experience

**Professional Experience:**

- Minimum of 15-20 years of practical construction engineering experience, in progressively advancing roles that have led to direct oversight/management of multi-national teams consisting of in-house staff as well as external consultants working as a team on 500 million+ projects
- Direct involvement in the procurement/tender process including development/refinement of contract forms as well as a deep understanding of the change management process
- Direct involvement in the coordination of design documents with trade specific shop drawings during construction
- Thorough understanding of high-level project reporting including: Budget; Schedule/Program; Changes/Variations, Health & Safety tracking and forecasting
- Understanding the requirements of the contracts and commercial documents

**Our Company offers:**

Our vision is to bring to life the largest urban regeneration project in Europe. So we need to attract the most talented people in our industry & to offer all the necessary means and procedures to support them, not only to fill their job description but also to rise above and beyond expectations!

**Thus, we do provide:**

- A passionate working environment
- A competitive compensation package according to professional experience, combined with additional benefits
- An exceptional opportunity to work and develop in one of the most challenging projects in Greece!
