

We are LAMDA Development S.A., a holding Company, member of the Latsis Group, specializing in the Development, Investment and Management of Real Estate, listed on the main market of the Athens Exchange.

We are proud to be a leader in the Retail Real Estate sector in Greece, with successful projects in the office and residential sectors!

Our portfolio includes The Mall Athens & Golden Hall in Athens, Mediterranean Cosmos in Thessaloniki, office buildings, innovative residential complexes and, the Flisvos Marina in Faliro.

In 2014, LAMDA signed the contract with the Greek state for the acquisition of the shares of the "Hellinikon SA". The project includes all the land area of the old Athens airport and the coast front, totaling 6,2 mil sq. m. and will be the largest urban regeneration investment ever in Greece.

This investment will include a diverse range of residential communities, hotels, shopping centers, family entertainment venues, museums and cultural venues, health and wellness centers, significant space for sports and recreation, a modern business park with an educational and R&D hub as well as the total regeneration of the existing marina and the entire Coastal Front that will, along with the Park, will be the major attractions of the site.

In Greece, we are currently a team of about 200 colleagues, located in Athens and in Thessaloniki.

We constantly try to create an environment that promotes employees' professional growth, based on the principles of attracting, developing and retaining human capital, offering equal opportunities to everyone.

To meet current corporate needs, we would like to bring to our team a

Project Manager

The Hellinikon Project

Reference code: PMH

The Project Manager will be reporting to the Construction Manager position.

Our new colleague in this role, is a true problem solver who understands and enjoys team building while remaining focused on project delivery requirements including budget, schedule, quality, health & safety.

In detail, the Project Manager, will be responsible for the following aspects of the Hellinikon Project:

- Provides supervision and acts as the primary contact responsible for ensuring compliance with safety, quality and time-schedule/program & budget targets for individual construction projects and/or sub-projects

- Offers input and support to the contract administrator when requested, to help ensure that final contract documents are constructible.
- Makes sure that the project meets project goals set by the management team
- Documents and reports on any specific issues contractor or subcontractor issues that may have a negative impact on current or future projects

You will be a successful candidate for our opening, if you can identify yourself with the following criteria:

Academic Qualifications:

- A B.Sc. Degree in Engineering or Construction Management
- Appropriate certifications and industry affiliations relevant to education and experience

Professional Experience:

- Minimum of 10-15 years of practical construction related experience which included direct supervision of trade subcontractors
- Experience in supporting the procurement/tender processs, including development/refinement of contract forms as well as a thorough understanding of the change management process
- Hands-on experience in the coordination of design documents and trade specific shop drawings during construction
- Experience in supporting multi-national teams, including in-house staff as well as consultants working as a team on 100 million+ projects
- On the personal side, the ideal candidate for this position, is an individual who enjoys working in a team environment and understands how to keep team members focused on the project goals i.e. delivery, quality, health & safety, etc.

Our Company offers:

Our vision is to bring to life the largest urban regeneration project in Europe. So we need to attract the most talented people in our industry & offer all the necessary means and procedures to support them, not only to fill their job description but also to rise above and beyond expectations!

Thus, we do provide:

- A passionate working environment
- A competitive compensation package according to professional experience, combined with additional benefits
- An exceptional opportunity to work and develop in one of the most challenging projects in Greece!
