The document contains several renderings related to The Ellinikon project developments. The completed project may differ significantly from the mock-ups that the Company has currently developed with its partners.

FORWARD LOOKING STATEMENTS

This document contains certain forward-looking statements pertaining to the Company and its Group. All projections are rounded figures, except for historical information. Forward-looking statements are based on current expectations, estimates, beliefs, projections, future plans and strategies, anticipated events or trends and similar expressions concerning matters that are not historical facts. You can identify these forward-looking statements by the use of words such as "outlook," "believe," "think," "expect," "potential," "fair", "continue," "may," "should," "seek," "approximately," "predict," "forecast", "project", "intend," "will," "plan," "estimate," "anticipate," the negative version of these words, other comparable words or other statements that do not relate strictly to historical or factual matters, but any such words are not the exclusive means of identifying these statements.

These forward-looking statements are based on the Company's beliefs, assumptions and expectations, but these beliefs, assumptions and expectations can change as a result of many possible events or factors, not all of which are known to the Company or within its control. These include, among other factors, the uncertainty of the national and global economy; economic conditions generally and the Company's sector specifically; competition from other Companies, changing business or other market conditions, changing political conditions and the prospects for growth anticipated by the Company's management, fluctuations in market conditions affecting the Company's income and the exposure to risks associated with borrowings as a result of the Company's leverage. These and other factors could adversely affect the outcome and financial effects of the plans and events described herein and could cause the actual results of operations, financial condition, liquidity, performance, prospects and opportunities of the Company and its Group to differ materially.

Due to various risks and uncertainties, actual events or results may differ materially from those reflected or contemplated in such forward-looking statements. Therefore, there can be no assurance that developments will transpire as forecasted. Past performance is no guarantee of future results.

All forward-looking statements speak only as of the date of the document. **The Company does not undertake any obligation to update or revise any forward-looking statements to reflect circumstances, the receipt of new information, or events that occur after the date of this document.** As such, you should not place undue reliance on forward-looking statements. Although the Company believes that the expectations reflected in such forward-looking statements are based on reasonable assumptions and that it has used all reasonable assumptions for the targets, estimates or expectations expressed or reflected in the forward-looking statements included herein, it can give no assurance that such targets, estimates or expectations will be attained.

This document also includes certain non-IFRS and other operating and performance measures, which have not been subject to any financial audit for any period. These non-IFRS measures are in addition to, and not a substitute for, measures of financial performance prepared in accordance with IFRS and may not include all items that are significant to an investor's analysis of the Company's financial results.
